user. If a list was previously furnished, the port director may make a written demand for the same information in respect to new persons employed in the carriage, receipt, or delivery of zone status merchandise within 10 days after such employment. The list need not include employees of common or contract carriers transporting goods to or from the zone.

### § 146.8 Seals, authority of operator to break and affix.

The port director may authorize an operator to break a Customs in-bond seal affixed under §18.4 of this chapter, or under any Customs order or directive, on any vehicle or intermodal container containing merchandise approved for admission to the zone upon its arrival at the zone; or to affix a Customs in-bond seal to any vehicle or intermodal container of merchandise for which an entry, withdrawal, or other approval document has been obtained for movement in-bond from the zone. The authorized affixing or breaking of that seal will be considered to have been done under Customs supervision. The operator shall report to the port director, upon arrival of the vehicle or container at the zone, any seal found to be broken, missing, or improperly affixed, and hold the vehicle or container and its contents intact pending instructions from the port director. If the operator does not obtain the written concurrence of the carrier as to the condition of the seal or delivering conveyance, the port director shall deem the seal or delivering conveyance to be intact.

### § 146.9 Permission of operator.

An application for permission to admit merchandise into a zone, or to manipulate, manufacture, exhibit, or destroy merchandise in a zone must include the written concurrence of the operator, except where the regulations of this part provide for the making of application by the operator itself or where the operator files a separate specific or blanket application. The writ-

ten concurrence of the operator in the removal of merchandise from a zone is not required because the merchandise is released by the port director to the operator for delivery from the zone, as provided in §146.71 (a).

### § 146.10 Authority to examine merchandise.

The port director may cause any merchandise to be examined before or at the time of admission to a zone, or at any time thereafter, if the examination is considered necessary to facilitate the proper administration of any law, regulation, or instruction which Customs is authorized to enforce.

### § 146.11 Transportation of merchandise to a zone.

(a) *From outside Customs territory.* Merchandise may be admitted directly to a zone from any place outside Customs territory.

(b) *Through Customs territory, foreign merchandise.* Foreign merchandise destined to a zone and transported in-bond through Customs territory will be subject to the laws and regulations applicable to other merchandise transported in-bond between two places in Customs territory.

(c) *From Customs territory, domestic merchandise.* Domestic merchandise may be admitted to a zone from Customs territory by any means of transportation which will not interfere with the orderly conduct of business in the zone.

(d) *From a bonded warehouse.* Merchandise may be withdrawn from a bonded warehouse under the procedures in §144.37(g) of this chapter and transferred to a zone for admission in zone-restricted status.

### § 146.12 Use of zone by carrier.

(a) *Primary use; lading and unlading.* The water area docking facilities, and any lading and unlading stations of a zone are intended primarily for the unlading of merchandise into the zone or the lading of merchandise for removal from the zone. Their use for other purposes may be terminated by Customs if found to endanger the revenue, or by the Board if found to impede the primary use of the zone.

(b) *Carrier in zone not exempt from law or regulations.* Nothing in the Act or the regulations in this part shall be construed as excepting any carrier entering, remaining in, or leaving a zone from the application of any other law or regulation.

#### § 146.13 Customs forms and procedures.

Where a Customs form or other document is required in this part, the number of copies of the form or document required to be presented and their manner of distribution and processing shall be determined by the port director, except as otherwise specified in this part.

#### § 146.14 Retail trade within a zone.

Retail trade is prohibited within a zone except as provided in 19 U.S.C. 810(d). See also the regulations of the Board as contained in 15 CFR part 400.

### Subpart B—Inventory Control and Recordkeeping System

#### § 146.21 General requirements.

(a) *Systems capability.* The operator shall maintain either manual or automated inventory control and recordkeeping systems or combination manual and automated systems capable of:

(1) Accounting for all merchandise, including domestic status merchandise, temporarily deposited, admitted, granted a zone status and/or status change, stored, exhibited, manipulated, manufactured, destroyed, transferred, and/or removed from a zone;

(2) Producing accurate and timely reports and documents as required by this part;

(3) Identifying shortages and overages of merchandise in a zone in sufficient detail to determine the quantity, description, tariff classification, zone status, and value of the missing or excess merchandise;

(4) Providing all the information necessary to make entry for merchandise being transferred to the Customs territory;

(5) Providing an audit trail to Customs forms from admission through manipulation, manufacture, destruction or transfer of merchandise from a zone either by zone lot or Customs authorized inventory method.

(b) *Procedures manual.* (1) The operator shall provide the port director with an English language copy of its written inventory control and recordkeeping systems procedures manual in accordance with the requirements of this part.

(2) The operator shall keep current its procedures manual and shall submit to the port director any change at the time of its implementation.

(3) The operator may authorize a zone user to maintain its individual inventory control and recordkeeping system and procedures manual. The operator shall furnish a copy of the zone user's procedures manual, including any subsequent changes, to the port director. However, the operator will remain responsible to Customs and liable under its bond for supervision, defects in, or failures of a system.

(4) The operator's procedures manual and subsequent changes will be furnished to the port director for information purposes only. Customs receipt of a manual does not indicate approval or rejection of a system.

(c) *Liability of operator.* Upon zone activation approval the operator remains liable for complying with all inventory control and recordkeeping system requirements set forth in this part.

#### § 146.22 Admission of merchandise to a zone.

(a) *Identification.* All merchandise will be recorded in a receiving report or document using a zone lot number or unique identifier. All merchandise, except domestic status merchandise for which no permit for admission is required under § 146.43, will be traceable to a Customs Form 214 and accompanying documentation.

(b) *Reconciliation.* Quantities received will be reconciled to a receiving report or document such as an invoice with any discrepancy reported to the port director as provided in § 146.37.

(c) *Incomplete documentation.* Merchandise received without complete Customs documentation or which is unacceptable to the inventory control and recordkeeping system will be recorded in a suspense account or record until documentation is complete or the
